Jimmy Buffett: Margaritaville

Nibbling on sponge cake
Watching the sun bake
All of those tourists covered in oil
Strumming my six-string
On my front porch swing
Smell those shrimp, hey they're beginning to boil

Wasted away again in Margaritaville
Searching for my lost shaker of salt
Some people claim that there's a woman to blame
But I know it's nobody's fault

I don't know the reason
I stayed here all season
Nothing to show but this brand new tattoo
But it's a real beauty
A Mexican cutie
How it got here I haven't a clue

Wasted away again in Margaritaville
Searching for my lost shaker of salt
Some people claim that there's a woman to blame
Now I think, hell, it could be my fault

Jack Johnson: Sitting, Wishing, Waiting

Well I was sit and sitting, waiting, wishing
You believed in superstitions
Then maybe you'd see the signs

The Lord knows that this world is cruel
And I ain't the Lord, no I'm just a fool
Learning loving somebody don't make them love you

Must I always be waiting, waiting on you
Must I always be playing, playing your fool

I sang your songs, I danced your dance
I gave your friends all a chance
But putting up with them
Wasn't worth never having you
